MAGIC
BEAUTY

When the greatest artists of the world
stand upon the earth, they do not
feel the ground beneath their feet.
They are not moved by their own
beauty and greatness. They are
moved by the world around them.
They are moved by the beauty of
the world. They are moved by the
beauty of the world. They are
moved by the beauty of the world.

Portrait of
GRANDEUR

When an artist is born in
the heart of the country,
and yet they feel themselves
great, they are a nation's
honor. It is the spirit of the
people, it is the spirit of the
people, it is the spirit of the
people.
