The beauty of a woman must be seen from in her eyes,  
because that is the doorway to her heart, the place where love resides

*Simplicity Beauty*

I appreciate simplicity, true beauty that leads over time, and a little wit and eccentricity that make life more fun.

It is the passion that she lovingly gives the  
passion that she shows. The beauty of a  
woman grows with the passing years.  
Beauty is power, a smile is its sword.

People are like stained - glass windows.  
They sparkle and shine when the sun is out,  
but when the darkness sets in,  
their true beauty is revealed only if there is  
a light from within.

The best part of beauty is that which no picture can express.
