MYSTERIES
of the sands

Little girls across the world get up for pictures, from their mothers, to magazines, to parents and put them on their walls, something one day to be as graceful as Barbie, as confident like in their girls, and from dreams of emulating her someday. She's their pride, their joy, their source of inspiration.

PURPLISS

They hail from a world where all is heavenly. They belong to an age which was truly golden. Whatever the world had lost is contained in their bosoms and in their smile, which shines with the purest gold. They were carved from desire, and so too their dresses... which are a source of great envy to all those who don't possess them.
