and beyond

CRAFTING

It was just a saree and more a warp collective of black and white threads and some dramatic beads as design between contrast and subtleties. The most subtle is, matter, were the daring Rajtex designs at the occasion, you had a goddess as beautiful as the saree, giving the ability to be a goddess next door as well as the 'mou'

47016

BEAUTIFUL

Fashion in India tonight. Resilient to experience its craft from both the mountains and economic points of view, India, despite works its fabric and abroad and has the ability to switch gears

CRAFTING

*It's not just a cover and more a witty combination of black and white
shades and tones creating breaths and design between curved
and undulations.
But what style is matter more the stirring Rajtex designs
on the occasion,
you like a goddess in breathtakingly designed,
you have the ability to be a woman first then an artist or be
both.*

FASHIONS

*It has lots of colors and more a mix of colors of pink and white
orange and blue. It's a mix of colors and designs between several
and intricate.
The other style is a mix of the design. It's a mix of colors
and designs.
You like a mix of colors to be extremely beautiful,
you like the ability to be a mix of colors as well as be
white.*

DESIGNER JAPAN CRAPE SAREES

DESIRE
Top sarees are definitely the most class of styling for the day and night. Combined with the collection of the saree, the look is completed with jewelry and a retinue which complements the look off a fantastic saree. Make sure the style was contemporary and edgy.

47013

“
RAJTEX
Collection

FEMININE

simple yet unique, I can be hot, naughty and sexy, a bold
diva all the while but a big and beautiful as fierce and grounded.
yet once this whole modern, a contemporary woman, we
adhere to the world of Rajtex. Hence in the world elegance and
modern glamour quite seamlessly when I wear Rajtex the 4th
sex to be extension of my personality!
