*Perfect design*  
The perfect design is the one that is not only stylish but also practical. It is a design that is both functional and fashionable. It is a design that is both modern and timeless. It is a design that is both simple and complex. It is a design that is both elegant and casual. It is a design that is both unique and familiar. It is a design that is both beautiful and useful. It is a design that is both perfect and imperfect. It is a design that is both perfect and imperfect. It is a design that is both perfect and imperfect.

*Essence of perfection.*  
 In life, it's not something that comes to you, but you have to go for it. It's not something you  
 follow, it's something you create. It's not something you wait for, it's something you create.
