Palettes of style

The hardest thing in fashion is not to be known for a look, but to be known for silhouette. Fashion is what you add on when you don't know who you are.

fashion is not something that exist in dress only, fashion is in the sky,
in the street, fashion has to do with ideas the way we live, what is happening.

Distinctive charming

In love with him & there is no other way to express yourself than through the clothes you wear. The difference between style & fashion is quality. Fashion is about dressing, style is about dressing people's dream.

style is when they're running you out of town and you make it look like you're leading the parade.

Rhetorical collection

When you have fashion, there's no need for a model. Fashion is about how you reflect the object on the person.
