Beauty is only skin-deep. If you go after someone you
could think you'll find love. After something is a
thing, it's going to get through that. You need to be
beyond the surface and see if you can love her or
love anything in connection with the person.

NEW FRESH (LST) 3.0

Beauty is only skin-deep. If you go after someone just because they're beautiful, but don't have anything to talk about, it's going to get boring fast. You want to look beyond the surface and know if you can have fun or if you have anything in common with this person.
