The times are ever-changing and
THE FASHION
trends reflect this inevitable process.
Ready to wear announcing them with striking heavy work.

1001

An these is a reflection of our social life. Most women prefer to wear socially appropriate clothes. They are always looking for a reaction to their clothes. It impacts the mind of the woman if others react in a certain way to what she is wearing. The common desire is to be able to create a statement without standing out as a different being.
