# Dazzling patterns

Some say they are not patterns. They're patterns from a time when the world was purple and more beautiful. They've been around since the  
resplendent patterns of these lovely numbers. It's not just the way they look, but the way they feel.

## Dazzling patterns

Some say they are not patterns. They're images from a time when the world was younger and more beautiful. They've been carved into the exquisite garments of these classy women, for only they can bring about their age again with their grace and style.
