**CHISELLED  
BY THE  
MASTERS**

Fads fade. Styles wither. Tastes change. But she smiles, unbothered. She has mastered the art of eternal beauty. Her attire has been designed to outlive the vagaries of the fashion world, and remain sculpted forever in the hearts and minds of those who behold her.

## A PICTURE OF POISE

Every photographer across the world is flummoxed. Their lenses can only capture a fraction of her beauty. Because her charm is so all-encompassing, so magnificent, so profound, the most skilled photographers falter. Most blame her dress, which is graceful in every respect. Which complements her beauty.

Little girls around the world cut out her pictures from magazines, magazines, to posters and pin them on their walls, dreaming one day to be as graceful as her, as subtle, she is their pride, and they dream of emulating her someday. Check their pride, they are their source of inspiration.
