*The key is to control the elements in you don't
end up over doing the same old same*

We've dumped the big pieces that you rest your head on before they fly off the rack.

*Subtlety is half virtue the more grace in the walking woman is the
perfect mix of modesty and class. If you have to do things give yourself*

*Make everything beautiful, everything you need is
a solution that works, a reward up at the best hand the owner*

It round up at the bottom thread the saree you the short ways to wear Green Saree.
