To COMPARE

It is important to compare the quality of the product before you buy it. Without a proper comparison, you will not get the best quality.

Try  
SOMETHING

Throw out of your comfort zone. You can only grow if you are willing to feel awkward and uncomfortable when you try something.

Fashion is about dressing according to what's fashionable. Style is more about being yourself.  
**BEING YOURSELF**

**ABOUT DRESSING**

make  
FASHION

Don't make fashion over you, but you decide when you are, and you  
want to inspire by the way you dress and the way you live.
