Appears the dress with you.

The right side of the image is a composite graphic. At the top, the brand name 'Nitya' is written in a cursive font. Below it is a white-bordered rectangular frame containing a smaller version of the woman in the maroon velvet garment. Underneath the frame, the product code 'Z-102' is centered, followed by a decorative flourish and the tagline 'Appears the dress with you.' in a cursive font. The background of this section is a light gray with a faint, larger-scale version of the embroidery pattern.
