For the twinkle in her eyes

When eyes twinkle in words flowing, when every moment is a kaleidoscope of joy and love, and every smile is a story waiting to be told, the twinkle in her eyes is the most beautiful sight. A twinkle that is the reflection of her inner world, a twinkle that is the reflection of her soul. A twinkle that is the reflection of her love. A twinkle that is the reflection of her life. A twinkle that is the reflection of her heart. A twinkle that is the reflection of her dreams. A twinkle that is the reflection of her hopes. A twinkle that is the reflection of her faith. A twinkle that is the reflection of her strength. A twinkle that is the reflection of her courage. A twinkle that is the reflection of her resilience. A twinkle that is the reflection of her grace. A twinkle that is the reflection of her beauty. A twinkle that is the reflection of her soul.
