When a woman

*When a woman walks, it is beauty in motion. She is not
walking for all to see. In the contrary, She is revealing her Dignity to them.*

Admire of beauty

Fashion is not just clothes, but it is your personality. It is how you style to yourself. It is how you want to be seen. It is how you want to be perceived. It is how you want to be remembered. It is how you want to be loved. It is how you want to be admired. It is how you want to be beautiful.
