Pleasant to the eye, and more, often we are in awe of a beautiful  
appearance or landscape because it holds  
a story out of reach and hard to possess

Familiar in part of the daily air and it changes all the time,  
with all the water. You can see the appearance of  
a mountain in distance. You can see and feel  
something in water.

A beautiful woman when you look at her face and think of her mind.  
When you look at her eyes and feel her look for you.  
When you feel her affectionate hands  
of her goodness and other virtues.

Substantially pleasing, but not necessarily visually attractive.  
"Sensational beauty is something that you see's fully understood,  
but you still think that person is wonderful."  
"Being kind does not make a person beautiful."

Everything about her is mesmerizing. She smiles and laughs and stops  
you dead in your tracks. And her eyes seem to light up the  
world when they smile. Everything about her radiates perfect.  
She has the ability to make anyone forget how to breathe.  
She may have someone someone. Happiness, nothing to drink.  
wisdom of grace/love- really is  
hard to stand up except near her.
