HAVE IT YOUR WAY

Fashion is a tool. To compete in life outside the home. People will like you better, without knowing why, because people will react well to a person they like the looks of.

BE ALL YOU CAN BE

Some women think that the look of a successful man, they have to wear make-up. You don't have great legs, then you can't have alternatives. I wanted to be a woman who lives and works, not the woman in a painting. Secret to all beauty.

COLOUR YOUR LIFE

Fashion should be a form of escapism,
and not a form of imprisonment. Don't
forget to fall in love with yourself first.
Dress like you're going to meet your
