

ALISA

The beauty of a woman is not in  
a facial mode but the true beauty  
is a woman is reflected in her soul  
It is the rising heart that lovingly gives  
the passion that she shows  
The beauty of a woman grows  
with the passing years

People are like stained - glass windows. They sparkle and shine when the sun is out, but when the darkness sets, their true beauty is revealed only if there is a light from within.

D.No.3203

Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever. The best part of beauty is that which no picture can express
