STYLE IS ETERNAL

*Fashion is not a constraint, if you wear a beautiful dress it  
gives you compliments, you wear it and it gives it to  
all the things itself.*

*My Passion*  
MY FASHION

*The difference between style & fashion is quality.  
Fashion is what is wearing it, making other people stare.*

Design-1003

*you are beautiful because you are yourself, you don't need to be anything by others, you are the way you are!*
