*Confidence is something you naturally give
when you wear the most elegant and most
comfortable attire, and as a result, you
feel better that would naturally add up more
confidence in your style.*

Confidence is something you naturally possess when you wear elegant and most comfortable attire, and we seek beautiful attire that would give you more confidence in your style.

*Resilience does not mean complacency or being
in control of the changing conditions, but with
awareness of the power of change, embracing
uncertainty.*

triveni
Classic view

Confidence is something you naturally gain when you follow the most difficult and most uncomfortable action, and no person could become just better than usually naturally will up some confidence in their life.
