STORY

For this season, our outfits are inspired from personal style of women. The fabric is fine, the clothes we offer will make you glow and your language is distinct. Our designs are simple and pure. As our clothes are a result of a long team of creative designers, you will find a fresh story with each outfit and that is what makes the collection ageless.

Enjoy

A new season calls for new outfit refreshments. As the celebrations begin, you know that you need to revamp your ethnic wardrobe. With this festive ethnic collection, we endeavor to portray a spanking new ethnic saga Glossy X Anyra Dastur.

# REVE

As a philosophy we have always focused on elegance because our impulse to establish the distinctive identity of our label has always come from dignity of ethnic aesthetics. The concepts are derived from contemporary techniques of craft but yet much steeped into traditional trace. In this regard, our garments have maintained a very sophisticated method; close, silhouettes are free yet classic and enlivened but abundant.
