

S

What's my style is not your style, and I don't see  
how you can define it.  
It's everything that exists  
with you and in your own way.

S

What's my style is not your style, and I don't see  
how you can define it.  
It's everything that remains,  
when you are in your own steps.

DS

*"Being well-dressed hasn't much to do with having good clothes. It's a question of good balance and good common sense."*

BEAUTY  
I think there is beauty  
in everything.

DS

*"I think there is beauty in everything. What 'normal' people perceive as ugly, I can usually see something of beauty in it."*

S

*"Elegance is the ease of a talent in a very expensive dress."*
