**YOU**

*should always feel pretty*  
Fashion is a form of self-expression  
or celebration that we have the  
right to wear as much as we  
want. It has changed what  
we are perceived as a society  
the more we embrace it.

**YOU**

*should always feel pretty*

*Fashion is a form of ugliness  
so intolerable that we drive to  
alter it every five minutes. So in  
the space of five hours, I have learned that  
what is considered to be elegant is  
the woman who is wearing it.*

**KEEP**

*calm & surround yourself with fashion*

*Fashion is not necessarily about brands. It's about something else that comes from within you.*
