FASHION IS VERY IMPORTANT. IT IS LIFE-ENRICHING. AND, LIKE EVERYTHING THAT GIVES PLEASURE, IT IS WORTH DOING WELL.

IN SIMPLER TERMS A DRESS SILHOUETTE IS WHAT YOU SEE IN A DRESS AT ONE GLANCE – THE OUTLINE OF THE KURTI. WHEN DESIGNERS GET AROUND TO MAKE BEAUTIFUL KURTI ESPECIALLY WEDDING KURTI, THEY HAVE THE SILHOUETTE IN MIND FIRST AND FOREMOST. IT IS THE MOST BASIC THING ABOUT A DESIGN. YOU DESIGN THE SILHOUETTE FIRST AND THEN DESIGN THE REST OF THE STYLE ELEMENTS

Q

I think fashion is a lot of fun. I love clothes. More than fashion or brand labels, I love design. I love the thought that people put into clothes. I love when clothes make cultural statements and I think personal style is really cool. I also freely recognize that fashion should be a hobby.

The best fashion advice I'd say would be just to do what makes you comfortable and what makes you feel cute, and that's how you're gonna look your best 'cause when you feel your best, everybody else can feel it, too.

I do have my own personal convictions and values, and I live by those. But as an artist, as a portrait photographer, my job is to tell the truth and to capture someone's spirit on a certain day. And it's never the whole truth; it's the truth I experience in a very intense and intimate fashion.

I have always loved fashion because it's a great way to express your mood. And I'm definitely a shoe lover. The right pair of shoes can change the feel of an outfit, and even change how a woman feels about herself. A woman can wear confidence on her feet with a high stiletto, or slip into weekend comfort with a soft ballet flat.

Fashion is anything which is you and reflects your personality, and if you are comfortable with what you wearing, you'll look trendy and fashionable for sure. Yami Gautam

I wanted to be an independent woman, a woman who could pay for her bills, a woman who could run her own life - and I became that woman.

Fashion is mysterious, as a rule. Why are blue jeans a classic? You just hit on something that happens to be timeless and right.
