Girl should be two things: classy and fabulous. you decide what you are, what you want to express by the way you dress and the way you live. Style is a way to say who you are without having to speak. Nothing compares you to. You are the pride of everyone who loves you. You're the envy of the rest of the world. But you're a cut above them. Why dress in anything but what you're cut out to be.

PROFESSION

The vagarment of you brings a smile.
Your absence brings a tear to the eye.
Your very glimpse brightens the day.
Your garments bring a matchless bloom
to your aura.

THEORY

Fashion plays an extremely vital role in our lives that we are likely to think a decorative note if we are not in tune with the times. The only constant in fashion is change. And I guess this since what makes fashion more interesting.

THE female GAZE

Speaking about the collection, Pernia said, "what makes this collection even more exciting is that it is coming to represent the same story as I do. The perfect way to honor to the Mughal era and we acknowledge the opportunity. I am very happy about the beautiful creation and the 4 power designers who helped us in doing so."
