So What is it

*It is not just a dress, it is a statement.
It is not just a color, it is a mood.
It is not just a fabric, it is a feeling.
It is not just a style, it is a way of life.
It is not just a fashion, it is an art.
It is not just a trend, it is a revolution.
It is not just a look, it is a personality.
It is not just a dress, it is a story.*
