...making with it a lot of sense
and an air of responsibility.
The way you dress says a lot about
you, the person, your life and the
way you think of yourself. You're a
strong and powerful part of your
world. You're not just a person, you
have an identity. You're the
center of your own world, and you
want to be seen. You want to be
noticed. You want to be heard.
You want to be the one who
stands out. You want to be the
one who makes a difference.
