The difference between style and fashion is quality.

Fashion is very important. It is like a life. Fashion is not just the everything that goes on your body. It is a way of living.

Fashion is a reflection of the time.
Look to the stars when everything is dark and hopeless.
You'll be seen, alone being rescued.

The difference between style and fashion is quality.

Fashion is very important, it is the vehicle, but style is everything that gives pleasure, it is worth thinking well.

Fashion is a reflection of the time.

Fashion is about what you're wearing according to what's fashionable.
Style is more about being yourself.

Fashion is anything which is you and reflects your personality.

It is the way you think, the way you feel, the way you act, that makes fashion mean to you. Don't forget to be what you are. What you want to express by the way you dress and the way you live.

Fashion is a reflection of the time.

Fashion is about more than clothing it is what's inside you.
It's the way you feel, the way you think.

Fashion is one thing, but style is another.

Looks and make-up are two great artists. Women that can be modeled by the world culture - our taste and our passion for creating things in our field of work - our work will be in front of things with their eyes.
