Girl should be two things: classy and fabulous. you decide what you are, what you want to express by the way you dress and the way you live. Style is a way to say who you are without having to speak. Nothing compares you to. You are the pride of everyone who loves you. You're the envy of the rest of the world. But you're a cut above them. Why dress in anything but what you're cut out to be.

THE female GAZE

Speaking about the collection, Pernia said, "what makes this collection even more exciting is that it is coming to reveal the same story as I do. The perfect way to honor the Mughal era and we acknowledge the occasion. I am very happy about the beautiful creation and the 4 power designers who helped us in doing so."
