Fashion is almost like a religion, for me atleast.
When you love fashion, there is no nweekend. Everything just blenas together.

Fashion is inspire by youth & nostalgia & draws inspiration bom the best of the past
I dress for the image, not for myself, not for the public, not for fashion, not for men.

The hardest thing in fashion is not to be known for a logo, but to be known for silhouette. Fashion is what you adopt when you don't know who you are.

Bringing together fashion, fun & festivity

Fashion is about dreaming & making other people dream.
Fashion is architecture, it is a matter of proportions.

Be sure what you & be sure about yourself, fashion is not just
beauty, it about good attitude you have to believe in yourself & be strong.

Fashion is not something that exist in dress only. fashion is in the sky,
in the street, fashion has to do with ideas the way we live, what is happening.
