Opoddest of style

As your dress flutters, so does the rest of the world. Their senses flutter, they grow nervous and agitated as they await a smile, a sign, an insight of approval from your good self. Fly into their hearts oh graceful damsel, floating on the wings of your allure.

Fashion of Style

The difference between style and fashion is quality.
Kindness is always fashionable. Elegance never goes out
of style.

Style you want.

Style is very personal. It
has nothing to do with
fashion. Fashion is over-
quicky. Style is forever.
