"I think there is beauty in everything. What some of people perceive as ugly,
I can usually see something of beauty in it."

"Style is something each of us already has, all we need to do is find it."

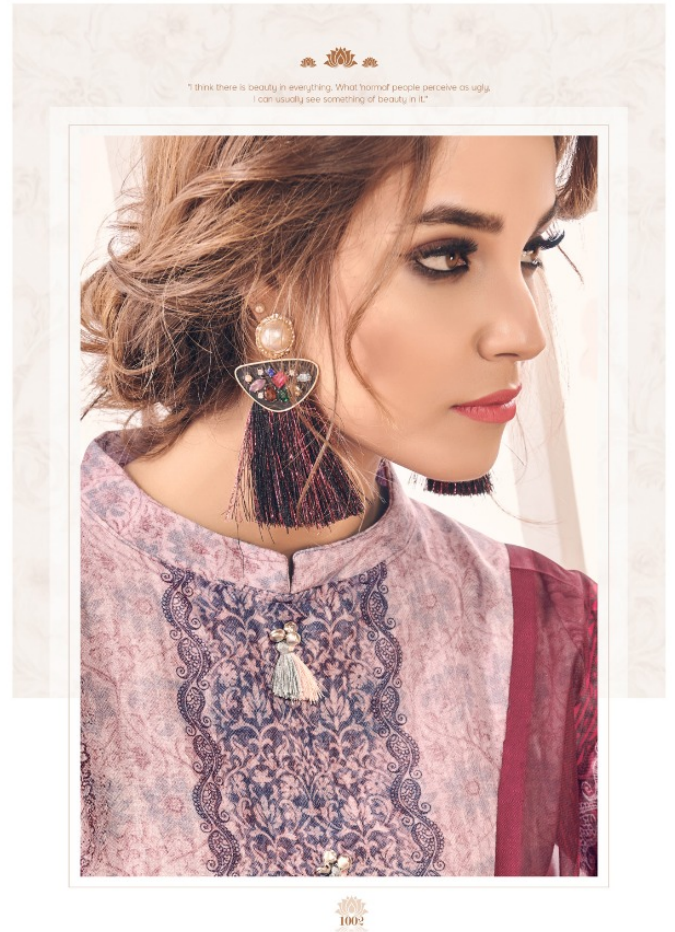

Style

"Style is something each of us already has, all we need to do is find it!"

"Anyone can get dressed up and glamorous, but it is how people dress in their day off that are the most intriguing."

Fashion is very important. It is life-enhancing and,
like everything that gives pleasure,
it is worth doing well.

"In order to be irreplaceable one must always be different"

Fashion is about dressing according to what's fashionable. Style is more about being yourself.

1063

"What you wear is how you present yourself to the world,
especially today, when human contacts are so quick.
Fashion is instant language."
