Girl should be two things: classy and fabulous. you decide what you are, what you want to express by the way you dress and the way you live.Style is a way to say who you are without having to speak. Nothing compares you to. You are the pride of everyone who loves you. You're the envy of the rest of the world. But you're a cut above them. Why dress in anything but what you're cut out to be

Speaking about the collection, Pernia said, 'What makes this collection even more exciting is that it is coming up around the same time as Eid. The outfits pay homage to the Mughal era and are adept for the occasion. I am very happy about the beautiful curation and the 6 power designers who helped us in doing so
