INSPIRATION

People are like stained - glass windows.
They sparkle and shine when the sun is out,
but when the darkness sets in, their true
beauty is revealed only if there is
a light from within...

**LOOK
GROWTHOUS**

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.

D.No.179

A full-body photograph of the same woman from the previous image, now standing in a full-length pose. She is wearing a light blue and white checkered kurta with floral embroidery on the shoulders and a small pocket square. She is also wearing matching checkered pants and gold-colored flats. She is standing on a green carpet scattered with white and pink flower petals. In the background, there is a light green wall with a branch of pink cherry blossoms. To the right, there is a light blue wooden chair and a small table with a decorative object. The overall aesthetic is elegant and traditional.
