Adorning the dress in bright dazzling colors,
this one is a real show stopper. Wear it
and delight the world with your presence.

Laher

Opium Indulgence

The sensual print with its exquisite paisley and floral pattern will give you an instant rush of pleasure and sophistication.

fashion panorama

The collection uses modern design sensibilities with a hint of the unconventional, to create contemporary abstract patterns at the cutting edge of fashion panorama.

1006

First Sonnet

Enter a poet's dream, as first buds of the saons make their appearance onto our fabric and into our hearts.

Splendor Shades

Taking in elements of the outdoors the collection explores nature in its various shades and colors. With flowing patterns and cuts, each design brings something new, simply waiting for you to discover.

1007

Spice Route

One of our most tantalizing numbers.
 Spice route is a rich detailed print in jeweled tones of emerald and sapphire blue. The dress is especially refreshing with a beautiful lush paisley pattern that will have you mesmerized and wanting nothing more.

Feel Graceful

With stunning yet simple designs the collection brings fresh and original primarily in vibrant hues.

Bring out your inner diva with this chic and stylish collection of designs based on highly intricate embroidery.

1003

the star studded

Faries set the forest alight with their sparkle and soft laughter under the star studded darkness.
