## Style *Guide*

The colour palette of our new collection is lively and vivid, using a baseline blend of modern concepts combined with Indian culture, which keep the classic flavours alive of Indian fashion.

Full-on  
**glamour**

Fashion always is extremely difficult to our taste, that we are likely to strike a discordant note if we are not in tune with the times. The only constant in fashion is change. And it gives the same what makes fashion more interesting.
