They are guided by the desire to attract the public attention to their creations, but this doesn't necessarily mean that they are intended to brighten up the everyday life of lay people. Fashion colors trends are an interesting aspect of general fashion trends It is not a rare occurrence when the whole city suddenly falls in love with a certain color.

As it is hard for a human being to change his or herself, what is left is changing everything that is around. The most favorable ground for changes is the clothes. It is quite understandable why famous designers tend to give reign to their imagination and create clothes that look interesting but are hardly wearable.
