Craftsmanship

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening.

THE FASHION

Byword

The difference between style & fashion is quality. Fashion is a
great thing, but it is only an expression of style. Fashion is a language
and style is a secret. It is not a secret, but it is a secret. It is a secret.

“SIX YARDS OF PURE GRACE, ELEGANCE AND BEAUTY”

The beauty of a woman is not only in her face but in the way she carries herself. It is the way she walks, the way she talks, the way she looks at the world, the way she looks at herself. It is the way she looks at the world, the way she looks at herself. It is the way she looks at the world, the way she looks at herself.

Embellishment

*Fashion is inspired by youth & is timeless. It doesn't change with
time like the rest of the world. I dress for the beauty, not for myself,
not for the public, not for fashion, not for time.*
