FAN-TASTIC

she step out of her vanity van after a brief siesta to chat up some fans they've come to meet her on set always the one to be gracious she signs a few autographs, takes a few pictures with them before the camera is ready to roll again.

Fiona & Beauty

Think austere natural fabrics and muted hues. Monastic chic conjures the idea of a spiritual asceticism that has no space for frivolous fashion. But if it ever did, these designs asymmetrical, textured, hooded and draped would be responsible.

Be Hold The Glamour Queen

she poses and prings infront of the mirror flitting with it she's the heroine, the prima donna,
the superstar on the set she loves the attentionally drama, the adulation.
