A sari isn't just a mere garment — it is a living testimony of the subcontinent's handweaving skills. It's also a personal museum of memories, of sorts, with a grandmother or the auntie handing her bundle of life stories over to the next generation with the sari.

The silk sari is the oldest and longest admired attire in Indian history; so when this collection was getting ready, we were very much sure to portray it by stepping in Raju Ravi Varma's historical painting art. We are influenced by his magical art.
