BE Yourself

Talent is a seed,
Doubt flows within it, poison,
Cries at your very sight, so be it,
In a moment of silence, I know
yet I understand the poison.

BE Magical

From black onyx to mint
green, dainty petals have
been dusting up the runway.
Tulle skirts and tulle blouses
are the fall.

BE *Exceptional*

Attain all the compliments
whenever you wear this exquisitely
crafted piece, wear it your way
and make a difference to them.
