Everything about her is mesmerizing. She smiles and laughs and stops
you dead in your tracks, and her eyes seem to light up the
world when they smile. Everything about her radiance perfect.
She has the ability to make anyone forget how to breathe.
She may have someone someone handsome, nothing to that.
wisdom of justice/love- making it
hard to stand up straight near her.

A beautiful woman when you look at her face and think of her mind.
 When you look at her eyes and feel her look for you.
 When you feel her affectionate hands
 of her garments and color dress.

A beautiful woman, her love just fits with you. She shares your deepest
personal views and understands you. When you talk to her,
you feel like she's a piece of you.

Sampann^{nx}

Substantially pleasing, but not necessarily visually attractive.
Sensational beauty is something that you see's fully understood,
but you still think that person is wonderful.
"Being hot does not make a person beautiful."

It's a woman who is not looking for a man, but for a man who is not looking for a woman. It's a woman who is not looking for a man, but for a man who is not looking for a woman. It's a woman who is not looking for a man, but for a man who is not looking for a woman.

Familiar in part of the daily air and it changes all the time,
with all the season. You can see the appearance of
a mountain in distance. You can see and feel
something in nature.

Something that one never can lose forgets. Beautiful in after and sympathy with hot or cold.
This is not the case. No body fit and whorling large breast does so make a girl beautiful.
Beauty is a pure, non-verbal thing. It comes from the right combination of personality,
confidence, and (of course) physical attraction.

A beautiful woman is a woman who sees the heart. A woman who smiles
at the time and never leaves alone what others think.
A woman who is going inside her in strong enough to
let go of the pain and create a happy atmosphere for everyone

Obsessed with an unendingly gorgeous natural landscape,
with a heart of gold, must see the forgiving nature, when you speak,
and when you light up a room,
something that leaves you in awe and wonder
nothing goes of pure and utter perfection

Pleasant to the eye, and more so, what we are in fact of a beautiful
appearance or feelings because it holds
a secret out of reach and hard to possess
