# EDGE

is a history of people. During the past centuries, it was the couturiers and designers that laid the foundations of the modern fashion industry we know today. The liberation of women from corseted confinement, the creation of ready-to-wear clothing, logos, licensing, window displays, lifestyle brands, fashion shows, marketing and even protection of intellectual property rights, are each a direct result of the ingenuity, bravery and creative genius of individuals who were in their lifetimes stylistic and societal visionaries.
