Bucolic *brauties*

A capitulation of a bright turquoise, which
eventually reveals into a more mysterious

Two women are standing on a stone wall, leaning against a large, rough stone block. They are both wearing ornate dresses with intricate embroidery. The woman on the left is wearing a purple dress, and the woman on the right is wearing a yellow dress. They are both wearing large, ornate necklaces and colorful flat shoes. The background shows a clear blue sky and a distant castle.
