The beauty of a woman must be seen from in her eyes,  
because that is the doorway to her heart, the place where love resides

# Simplicity Beauty

I appreciate simplicity, true beauty that lasts over time, and a little vein and eccentricity that make life more fun.

*Fashion Desire*

It is believing that she lovingly gives the  
passion that she shows. The beauty of a  
woman grows with the passing years.  
Beauty is power; a smile is its sword.

## Classic Appeal

The beauty of a woman is not in a facial model but the true beauty in a woman is reflected in her soul.

People are like stained - glass windows.  
They sparkle and shine when the sun is out,  
but when the darkness sets in,  
their true beauty is revealed only if there is  
a light from within.

*Beautiful Fashion*

Beauty is when you can appreciate yourself. When you  
love yourself, that's when you're most beautiful.
